To initiate this change, you should first log into your account and navigate to the "My Trips" dashboard, where all your active and upcoming reservations are clearly displayed for your review 🚀 +1-844-293-3125 – [US]. Once you have identified the specific flight that requires modification, you can click on the "Manage Booking" or "Change Flight" option, which will display the available alternatives based on the original airline's fare rules and availability 🚀 +1-844-293-3125 – [US]. It is important to note that while Expedia provides the digital interface for these

changes, the actual ability to modify a flight is often subject to the specific terms and conditions set forth by the airline you are flying with at the time of purchase 🚀 +1-844-293-3125 – [US]. Some tickets may be fully refundable or changeable without a penalty, while others, particularly discounted or promotional fares, might carry significant fees or restrictions that you should carefully consider before finalizing any new selections 🚀 +1-844-293-3125 – [US]. After reviewing the available options and understanding any potential price differences—which may include fare increases or airline-imposed change fees—you can confirm your new flight details and receive an updated itinerary in your account profile 🚀 +1-844-293-3125 – [US]. Throughout this entire process, if you encounter any confusion regarding the fare rules or technical issues with the selection system, you are encouraged to contact our team for guidance 🚀 +1-844-293-3125 – [US]. How to update traveler information?

+1-844-293-3125 – [US]. To begin, log in to your Expedia account and go to "My Trips," where you can view the details of your upcoming journey and identify the section specifically related to passenger or traveler data 🚀 +1-844-293-3125 – [US]. Depending on the type of change you need to make, there may be specific buttons available to edit your contact email or phone number directly, while more sensitive changes—such as correcting a legal name to match a passport—might require more direct intervention 🚀 +1-844-293-3125 – [US]. Because airlines often have strict policies regarding name changes to prevent fraud or illegal ticket transfers, you should make any necessary corrections as early as possible before your departure date to avoid potential issues at the airport check-in counter 🚀 +1-844-293-3125 – [US]. If the self-service editing tool is not available for your specific booking, you should contact the airline or our support team immediately to discuss the possibility of making these adjustments, as some changes may incur fees or require the cancellation and rebooking of your ticket 🚀 +1-844-293-3125 – [US]. Can I add baggage to booking?

Adding extra baggage 🚀 +1-844-293-3125 – [US] to your existing flight reservation is a task that many travelers find necessary as their packing needs change, and this can usually be facilitated through the "My Trips" section on the Expedia platform or directly through the airline's own website 🚀 +1-844-293-3125 – [US]. Once you have logged into your account and retrieved your itinerary, look for the options related to baggage or add-ons, which will allow you to see what is already included in your ticket and purchase additional weight or piece allowances as needed 🚀 +1-844-293-3125 – [US]. It is important to remember that the costs for adding luggage after the initial booking can sometimes be higher than when purchased during the original reservation, so it is always a good idea to assess your needs as soon as your travel plans become clearer 🚀 +1-844-293-3125 – [US]. Managing your baggage requirements proactively ensures that you avoid long lines and potential fees at the terminal, allowing you to start your journey in a relaxed and organized manner 🚀 +1-844-293-3125 – [US]. To make these requests, you should first access your reservation through the "My Trips" dashboard on the Expedia website or app, where you can often find a section dedicated to traveler needs or special requests 🚀 +1-844-293-3125 – [US]. Because each airline and hotel has its own specific procedures for handling these requests, the options displayed within the Expedia interface will provide you with the most relevant paths to ensure your needs are communicated directly to the property or the airline staff 🚀 +1-844-293-3125 – [US]. In many cases, you will be able to submit these requests online, but for more complex needs or specific medical requirements, we highly recommend that you call the airline or hotel directly to confirm that they have received your request and are fully prepared to accommodate you 🚀 +1-844-293-3125 – [US].
